New York (January 6, 2011)-- RBC Limited is pleased to announce that Barbara B. Citarella, RN, BSN, MS, CHCE, CHS-V, President and CEO, has been elected as the 2012 Chairperson for the Home Care Section of the Association for Professionals in Infection Control and Epidemiology, Inc. (APIC). She will currently serve as the co-chair of the committee for the duration of this year then will serve as the Chair for 2012.

Barbara B. Citarella

In her new role, Barbara will help identify how APIC can assist our industry and address the issues that are relevant to our practice. This will begin to bridge the gap and give home care a voice in the industry. Barbara is excited to have this opportunity to keep you all informed and prepared for future and current challenges that we face.

Ms. Citarella is the Founder of RBC Limited Healthcare and Management Consultants. Barbara is recognized for her expertise in the areas of infection control, leadership and disaster preparedness. She is an internationally known speaker and has her certification in homeland security. She is a member of the Association for Professionals in Infection Control and Epidemiology, Inc. (APIC), where she is part of the emergency preparedness committee and currently serves as the 2011 co-chair for the home care section of the APIC committee. She also served as a pandemic expert panel member for the Centers for Disease Control and Prevention

Practice: Infection Control & Prevention E-Newsletter

Editor: Barbara B. Citarella

"Practice" E-Newsletter is a **FREE** valuable resource for the home care and hospice industry. It is published on the 15th of every month and highlights current home healthcare issues, guidance documents and regulatory issues that will impact agency practice, protect employees, and assist with patient outcomes.
